

Sara Flesher Interior Designer

Objective

As a designer I want to work one on one with clients to make their living or working environments more beautiful and productive for them. I am committed to working in a loving and caring environment where I have the potential to become a great designer. Teamwork is very important and having coworkers that are pleasant to work with every day. I want to be able to contribute my talents to a team of individuals to make a beautiful product every time.

Skills and Strengths

Very organized, excellent social skills, strong work ethics, very punctual, good public speaker, Autocad, Microstation, Photoshop, Microsoft Word, Microsoft Excel, Studio IT, space planning, hand drafting, sketching, rendering, excellent furnish/finish selections.
